

COOKING IN SOBRIETY

The making of a cookbook....

We need your recipes so we can make a sobriety cookbook. They will be here in time for Christmas. What a great Christmas gift they will make.

Here are the guidelines:

1. Each town is assigned, by the committee, a specific type of recipe to submit. They are as follows:
 - a. Lady Lake - Main Meals
 - b. Sumter County - Snacks/Appetizers
 - c. Leesburg - veggies and side dishes
 - d. Eustis - Desserts and soup & salads
 - e. Tavares - Desserts and soup & salads
 - f. Mt. Dora - Desserts and soup & salads
 - g. Clermont - snacks and breads & rolls
2. You are more than welcome to give as many recipes as you wish and in any category.
3. September Intergroup meeting will be the last time we accept recipes.
4. The profits will be split between the intergroup and the committee
5. First name and last name initial will only be taken
6. It would be fun if you also put your place of birth. (not necessary though)

You can either email your recipe to:

or mail it to:
